Players of the Week

Phil Jamerson, left and Jay Franklin earned Player of the Week recognition based on their performance in the Raider-Jefferson Forest game Friday. Phil had nine individual tackles, blocked a pass, recovered a fumble and did an outstanding job blocking from his guard position.

Jay carried 28 times for 129 yards and scored the first Raider touchdown.

Coach Larry Carter praised the entire offensive line Tom Wingfield, William Perdue, David Bohannon, Phil Jamerson, Bennett Paulette and Robert Dyess for their outstanding play that allowed Franklin and "BooBoo" Trent to pick up good yardage. Carter also paid tribute to Tom Hix and R. L. Harris for their defensive play.

Raiders 21 J.Forest 6

The Raiders of ACHS put together a good offensive drive in the 1st period, climaxed by Jay Franklin's 7 yard touchdown run, and went on to defeat Jefferson Forest 21 - 6 in Seminole District action Friday night.

Good blocking by the Raider offensive line enabled Franklin and "Boo Boo" Trent to rush for 198 yards while the defense held Forest to 56 yards on the ground.

Trent picked up 12 points on two touchdowns which should keep him in second place in the district scoring race. One of his TD's came on a spectacular 60 yard punt return in the third quarter.

The Raiders, now 5 and 2, travel to Bedford this Friday for a game with Liberty, 4 and 3.

Women Golfers To Meet Oct. 25

The Falling River Country Club Women's Golf Association will meet Monday, October 25th at 7:30 p.m. at the club.

Coffee and dessert will be served.

Girls' Volleyball Team Remains Undefeated

The ACHS Raiderettes hosted Rustburg girls for volleyball on Tuesday of last week and hosted Jefferson Forest on Thursday - winning both matches the Raiderettes remained undefeated in Seminole District play.

Scores in the ACHS - Rustburg matches were 15-7, 6-15, and 15-13. Standouts for this game were Teresa Harris with 14 service points and Jan Stanley with 10 service points.

It was a total team effort Thursday, when the Raiderette team defeated Jefferson Forest 15-11, 10-15, and 15-6, to get their 7 - 0 standing in the district.

This week the Raiderettes were scheduled to play Amherst on Tuesday and will travel to Liberty today, Thursday for the final game prior to tournament play.

The Seminole District Volleyball Tournament will be played October 25, 26 and 27 at Jefferson Forest. The first game on Monday night will begin at 6 p.m. with four matches being played. On Tuesday night, October 26th, the semi-finals will be played, teams determined by play on Monday, with the first match beginning at 7 p.m. and the second match beginning at 8 p.m.

On Wednesday night, October 27th, the final match in the tournament will be played at Jefferson Forest at 8 p.m. An exhibition game is being planned for 7 p.m. on this night.

Follow the Raiderettes Volleyball team, give them a boost and watch them take the district title once again.

TEAM STANDINGS:

Appomattox	7-0
Jefferson Forest	6-1
Liberty	6-1

The Mites championship hopes will be decided by the outcome of their remaining two games. They are currently tied with Buckingham for first place, their record now stands at 3 wins, 1 loss, and two ties.

The "Mites" team, shown above, is made up of: front row from left, Tracy Tweedy, Stan Slagle, Ronnie Guill, Robert Cheatham, and R. W. Jamerson; second row from left, Tony Mann, Timmy Mullins, Mike Ferguson, Phillip Bollinger, Mike Knight, Jeff Sayre, and Jeff Chauncey; third row from left, Kevin Garrett, Rodney Matthews, Steve Hamlett, Jeff Drinkard, Ricky Dickerson, Jeff Carwile, and Darrell Conner; fourth row from left, Darren Tolley, Bradley Puryear, Wilton Willett, Chris Tolley, Paul Johnson, Kevin Kendricks, and Lee Drinkard; and on back row, left to right, Raymond Mullins, Wayne Garrett, Watt Jamerson, Tommy Matthews, and Robert Carter, coaches. Not available for photo were R. L. Waldo and Curtis Pearson.

Anyone having any Little League football equipment they would like to donate to the Mites are asked to contact Robert Carter, 352-7890 or Wayne Garrett, 352-5401.

RAIDERS LOSE CROSS COUNTRY MEET

The ACHS Cross Country Team lost its second home meet of the season on Friday, Oct. 15, to Staunton River High School 20-41. The team now stands 0-2 for dual competition this season. The entire team has improved greatly since the first of September and if these young men continue into track in the Spring they will be an asset to the program, according to Coach San Martin.

Standouts for the Raiders are David Eye, Tim Guill, and Selmon Robinson with a host of freshmen talent close on their heels.

Next meets will be at Rustburg on Oct. 20 and at Altavista on Oct. 22, a home meet with Jefferson Forest on Oct. 25 and the District meet at Liberty on Oct. 30.

Protect Your Home While Away

When a family goes on vacation, they leave behind savings of a lifetime in their home and personal possessions. Here are some helpful precautions.

Notify your local police department of the dates that you'll be away from home and how you can be reached. Leave this same information and keys with a neighbor for emergency use in case of a burglary or fire.

Stop all deliveries - newspaper, mail, etc. A home with papers piled on the doorstep in an invitation to a burglar. Leave a light burning in one of the rooms, or better yet, install an automatic timing device which will turn lights on at dusk.

Just before leaving, doublecheck locks on all doors and windows. This is a good time to also make certain that all gas outlets, electrical appliances, and water faucets have been turned off.

OFFICE HOURS:

Monday thru Friday - 8:15 a.m. to 5:15 p.m.
Saturday 8:00 a.m. to 12:30 p.m.

ASCS Today

By Tom Conrad

County Committee Activates 1977 Agricultural Conservation Program - The Appomattox County ASC Committee met on Thursday, October 14, 1976 and activated the 1977 Agricultural Conservation Program, (ACP). Since the County Development Group has not met to develop the program, the Committee has decided to activate only two practices at 1976 cost-share rates at this time. After the Development Group meets, hopefully before the beginning of the year, our other 1977 ACP practices will open at 1977 cost-share rates.

The two practices that are now available at 50% cost-share are: RE2, Improving Permanent Vegetative Cover - Lime & Fertilizer SA4, Application of Lime.

There are a few things you should remember before coming in to sign up upon the 1977 Program. They are:

A current soil sample (two years old or less) is required for both the RE2 and the SA4 practices, so remember to bring a soil sample or your soil sample sheets when you come to sign up.

The SA4, liming practice, requires that the land must be in eligible cover at the time the lime is applied or must be established to such cover within two years following the current year.

Any field that you have cost-shared on since 1973 is not eligible.

1976 Agricultural Conservation Program [ACP] - The ASCS office has received an additional $3000 which will be used under 1976 ACP. If you are interested in applying for cost-share under the 1976 program, we are taking requests.

Hay Transportation Aid Available in 22 Virginia Counties - Federal financial assistance is now available in 22 Virginia counties following a declaration by the President on October 15 of an emergency in those counties due to extreme drought.

The counties designated by the Administrator of the Federal Disaster Assistance (FDAA) for assistance are:

The counties designated by the Administrator of the Federal Disaster Assistance (FDAA) for assistance are: Amelia, Amherst, Appomattox, Augusta, Bedford, Brunswick, Campbell, Charlotte, Cumberland, Franklin, Halifax and Henry.

Also, Lunenburg, Mecklenburg, Nottoway, Page, Patrick, Pittsylvania, Powhatan, Prince Edward, Rockingham and Shenandoah.

The Government will provide up to 80 percent of the actual cost to transport hay to affected areas. Assistance is limited to $12.50 per ton for silage and $50 per ton for hay or hay substitutes.

Similar assistance has been made available in 265 counties in Minnesota, Missouri, North Darkota, South Dakota and Wisconsin.

The Agricultural Stabilization and Conservation Service (ASCS) of the U.S. Dept. of Agriculture is administering the program for FDAA which is utilizing appropriations for the President's disaster relief fund. A producer who wishes to be considered for transportation assistance must file with the ASCS office or Agricultural Service Center of his county.

NOV. 2 BALLOT HAS SIX STATEWIDE REFERENDUMS

Cont'd from Page 1

ed, property used for solar energy purposes, and tangible farm property and products?

Yes——No——

If this question is ratified, four changes concerning tax exempt property will be made in the Constitution.

First, to the six types of property that the Constitution specifies "shall be exempt from taxation, State and local, including inheritance taxes..." will be added a seventh: "Land subject to perpetual easement permitting inundation by water as may be exempted in whole or part by general law."

Second, the General Assembly would be granted the power to "authorize the governing body of any county, city, town, or regional government to provide for the exemption from local real property taxation, or a portion thereof,...of real estate owned by, and occupied as the sole dwelling of, persons not less than sixty-five years of age or persons permanently and totally disabled as established by general law..."

Third, the words shown in italics would be inserted in this sentence: "The General Assembly may define as a separate subject of taxation any property, including real or personal property, equipment, facilities, or devices, used primarily for the purpose of abating or preventing pollution of the atmosphere or waters of the Commonwealth or for the purpose of transferring or storing solar energy, and by general law may allow the governing body of any county, city, town or regional government to exempt or partially exempt such property from taxation, or by general law may directly exempt or partially exempt such property from taxation."

Fourth, the words in italics will be inserted in this sentence: "The General Assembly may define as a separate subject of taxation household goods, personal effects and tangible farm property and products..." In the Constitution, this sentence concludes with the same words as those following the amendent relating to solar energy.

Farm Law Ready to Take Effect

A law authorizing cities, counties, and towns to enact an ordinance to exempt, in whole or part, certain tangible farm property from taxation was enacted by the 1977 General Assembly. This law will only become effective, if question six is ratified by the voters statewide.

Any ordinance that might be adopted could apply to any combination of the seven separate classes of property defined by the General Assembly, which were (1) horses, mules, and other kindred animals, (2) cattle, (3) sheep and goats, (4) hogs, (5) poultry, (6) grains and other feeds used for the nurture of animals, and (7) all farm machinery and farm implements.

TWO AREA YOUTHS TAKE MAJOR AWARDS

The Piedmont Pork Producer's Association held its third annual Piedmont Market Hog and Trade Show on Saturday, October 9th at the Farmville Livestock Market.

The show competition was open to purebred and cross-bred swine produced in the eleven county Piedmont Pork Producers Association area.

Two show divisions existed, one for the youth exhibitors and one for the adults.

Two area youth took major awards in the show, Lisa Coleman, being congratulated by Earl Pickett in photo above, and Jonathan Pickett also shown above and both from Appomattox County.

Lisa Coleman's pair, from Appomattox County, was first in class 3, youth pairs weighing 211-240 pounds. Class 10 featured youth single heavy weight hogs weighing 221-240 pounds and Jonathan Pickett showed the first place hog in this class. Both youths received trophies that were donated by Hatfield Packing Company of Hatfield, Pennsylvania.
